Proudly Serving the Dedicated Men and Women of the Florida Department of Corrections

We take pride in serving the men and women of the Department of Corrections who dedicate themselves to protecting and serving the Florida public. Correctional and probation officers work tireless hours to secure many dangerous offenders and to rehabilitate offenders who are set for release. It is their dedication to duty that ensures safety for our communities.

We believe corrections personnel do not receive enough public recognition for their service and we are privileged to be the organization established by statute to serve the Florida Department of Corrections.

As we celebrate our 10 Year Anniversary this year, we thank our 15,000 members, numerous community partners and especially the Department of Corrections for helping us build a strong foundation for future growth. During our first 10 years we have accomplished much, but in our next 10 years we hope to dramatically impact the corrections community, thus positively influencing all of our communities. We encourage you to join us.

Other Ways We Support DC

In 2004 and 2005, gave $114,000 to 1,074 DC employees affected by hurricanes in Florida.

In 2005, DC employees raised $81,695 for Corrections employees in Louisiana and Mississippi to assist after Hurricane Katrina's catastrophic damage.

Through the *Flags for Freedom Project*, the Foundation has recognized over 500 DC employees who have served in our armed forces since September 2001 by sending international calling cards and VISA gift cards during the holidays and certificates of appreciation to employees deployed from September 2001— May 2003. Plans to recognize all employees who have served since 2003 are underway.

Corrections Employees to Get Specialty Tag Dedicated to Them

Louie L. Wainwright, President of the Corrections Foundation, was successful this legislative session in persuading the Florida House and Senate to approve a specialty tag for Corrections employees.

"For 60 years, I've worked with the finest Corrections employees there are. I'm proud to take this extra step to help take care of the men and women who protect and watch over Florida," Wainwright said. "Police, firefighters, and other first responders have had specialty tags that benefit and recognize them. Now our officers and staff will get the recognition they, too, deserve."

At an estimated cost of $25 per specialty plate, the purchase of 15,000 tags would generate $375,000 annually to benefit DC employees through the Employee Assistance Program. The annual use fee would also support other Foundation initiatives including a scholarship for children or dependents of employees injured or killed in the line of duty and a disaster preparedness and relief fund.

The Foundation specialty tag should be available at your local tax collector's office in December 2007 or January 2008.
