Corrections Employees to Get Specialty Tag Dedicated to Them

Louie L. Wainwright, President of the Corrections Foundation, was successful this legislative session in persuading the Florida House and Senate to approve a specialty tag for Corrections employees. In addition, Governor Charlie Crist signed the specialty license plate into law, and the Florida Cabinet—comprised of Governor Charlie Crist, Attorney General Bill McCollum, Chief Financial Officer Alex Sink, and Agriculture Commissioner Charles Bronson—approved the design.

After discussions with Chief of Staff Richard Prudom, the concurrence of Secretary James McDonough, and strong support from the Corrections Foundation board of directors, we are proud to take this extra step to further our assistance for Department of Corrections staff across Florida.

The purchase of 10,000 Corrections Foundation specialty license plates annually would generate \$250,000 to benefit DC employees through the Employee Assistance Program. The annual use fee would also support other Foundation initiatives including a scholarship for children or dependents of employees injured or killed in the line of duty and a disaster preparedness and relief fund.

The Foundation specialty tag will be available at your local tax collector's office in November.
