CERTIFIED PUBLIC ACCOUNTANTS

**INDEPENDENT AUDITORS' REPORT**

To the Board of Directors,  
Corrections Foundation, Inc.

We have audited the accompanying financial statements of the governmental activities and the major fund of Corrections Foundation, Inc. (a nonprofit organization) as of and for the year ended June 30, 2010, which collectively comprise Corrections Foundation, Inc.'s basic financial statements as listed in the table of contents. These financial statements are the responsibility of Corrections Foundation, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of Corrections Foundation, Inc., as of June 30, 2010, and the respective changes in financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 1, 2010, on our consideration of Corrections Foundation, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Accounting principles generally accepted in the United State of America require that the management's discussion and analysis and budgetary comparison information on pages 2 through 4 and 13 through 14, respectively, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

*James Moore & Co., P.L.*

Tallahassee, Florida

## **Management's Discussion and Analysis** **June 30, 2010**

Management is pleased to offer the following assessment of the operations of Corrections Foundation, Inc. for the year ending June 30, 2010.

### **Overview of Financial Statements**

This discussion and analysis is intended to serve as an introduction to the Organization's basic financial statements. These basic statements consist of the government-wide financial statements and the fund financial statements.

**Government-wide financial statements.** The government-wide financial statements are designed to provide readers with a broad overview of the Organization's finances in a manner similar to a private sector business. The government-wide financial statements consist of the Statement of Net Assets and the Statement of Activities.

The **statement of net assets** presents information on all of the Organization's assets and liabilities with the difference between the two reported as net assets. Over time increases or decreases in net assets may serve as a useful indicator of whether the financial position of the Organization is improving or deteriorating.

The **statement of activities** presents information showing how the Organization's net assets changed during the fiscal year. All of the current year's revenues and expenses are accounted for in the statement of activities regardless of when cash is received or paid.

The basic governmental-wide financial statements can be found on pages 5 - 6 of this report.

**Fund financial statements** A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The organization uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The organization maintains one fund category, which is a governmental fund.

**Governmental funds** *Governmental funds* are used to account for essentially the same functions as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be used in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions.

The basic governmental fund financial statements can be found on pages 7 - 8 of this report.

**Notes to the financial statements.** The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 9 - 12 of this report.

**Other information.** In addition to the basic financial statements and accompanying notes, this report also presents certain *required supplementary information* concerning the Corrections Foundation, Inc.'s budgetary information. Required supplementary information can be found on page 13 - 15 of this report.

**Government-wide Financial Analysis**

The assets of Corrections Foundation, Inc. exceeded its liabilities at June 30, 2010, by \$506,405. 92% of this total or \$465,677 is unrestricted.

Net Assets: Corrections Foundation, Inc.'s net assets increased by \$74,069 from fiscal year 2009. The primary cause of this increase was increase in membership contributions and grants for the Inspector General's K-9 unit and dog obedience programs.

**Condensed Financial Statements**

**Net Assets**

	<b>2010</b>	<b>2009</b>
Current Assets	\$ 509,507	\$ 435,378
Less Liabilities	3,102	3,042
Net Assets	<u>\$ 506,405</u>	<u>\$ 432,336</u>

**Changes in Net Assets**

	<b>2010</b>	<b>2009</b>
Program revenues:		
Operating grants and contributions	\$ 801,734	\$ 789,055
General revenues:		
Miscellaneous	10,665	16,994
Total revenues	<u>812,399</u>	<u>806,049</u>
Expenses		
Direct support activities	738,330	764,646
Total expenses	<u>738,330</u>	<u>764,646</u>
Increase in net assets	74,069	41,403
Net assets, beginning of year	432,336	390,933
Net assets, end of year	<u>\$ 506,405</u>	<u>\$ 432,336</u>

## **General Fund Budgetary Highlights**

Major differences between the original budget and the final amended budget can be summarized as follows:

- Inspector General's K-9 unit and dog obedience grants received.
- Receipt of unexpected funding for DC Chapels.
- Increase in membership to support the Employer Assistance Program.
- Overestimation of in-kind funds.

## **Request for Information**

This report is designed to provide a general overview of Corrections Foundation, Inc. finances for all those with an interest in the Organization's finances. Questions concerning any of the information in this report or requests for additional information should be addressed as follows:

**CORRECTIONS FOUNDATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2010**

(1) **Reporting Entity:**

Corrections Foundation, Inc. (the Foundation) is a nonprofit organization under Internal Revenue Code Section 501(c)(3) and is established as a direct support organization to the State of Florida, Department of Corrections (the “Department”) pursuant to Section 944.802 of the Florida Statutes. The purpose of the Foundation is to support the programs, personnel and services of the Department in the interest of public safety. The Foundation is supported primarily through donor contributions, in-kind support from the Department, and grants. The Foundation was incorporated in December 1996 and began operating in July 1997. It is administered by a board of directors appointed by the Secretary of the State of Florida, Department of Corrections.

The accounting policies adopted by the Foundation conform to accounting principles generally accepted in the United States of America as applied to not-for-profit organizations reporting using the governmental model. There were no entities that required inclusion as a component unit within the Foundation’s financial statements.

(2) **Summary of Significant Accounting Policies:**

The following is a summary of the more significant accounting policies and practices of Corrections Foundation, Inc. which effect significant elements of the accompanying financial statements:

(a) **Government-wide and Fund Financial Statements**—The government-wide financial statements (i.e., the statement of net assets and the statement of activities) report information on all of the nonfiduciary activities of the Foundation. There are no component units or fiduciary funds.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Other items not properly included among program revenues are reported as general revenues.

Separate financial statements are provided for the governmental fund. The Foundation reports one governmental fund.

(b) **Basis of Presentation**

**Governmental Fund Type**—Governmental funds are the funds through which most governmental functions typically are financed. The acquisition, use and balances of the Foundation’s expendable financial resources and the related liabilities are accounted for through a governmental fund. The measurement focus is based upon determination of changes in working capital, rather than upon net income determination. The following is the Foundation’s governmental fund type:

- The general fund is established to account for resources devoted to direct support to the State of Florida, Department of Corrections. All operating resources are recorded in the general fund.

**CORRECTIONS FOUNDATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2010**

(2) **Summary of Significant Accounting Policies:** (Continued)

(c) **Measurement Focus, Basis of Accounting and Financial Statement Presentation**—The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized in the accounting period in which they become both available and measurable (flow of current financial resources measurement focus). The basis of accounting determines when transactions and economic events are reflected in the financial statements, and measurement focus identifies which transactions and events should be recorded.

Revenues are measurable when they are subject to reasonable estimation, while the available criterion is satisfied when revenues are collectible during the period and actual collection will occur either a) during the current period or, b) after the end of the period but in time to pay fund liabilities. Generally, grant revenues are recorded as revenue when they are susceptible to accrual and conditions of the grant have been satisfied. Expenditures, if measurable, are recorded when they have used or are expected to use current expendable financial resources.

(d) **Income Taxes**—The Foundation is exempt from the payment of income taxes on its exempt activities under Section 501(c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes has been made in the accompanying financial statements.

The Foundation files income tax returns in the U.S. federal jurisdiction. The Foundation is no longer subject to U.S. federal income tax examinations by tax authorities for years before 2003.

The Foundation has reviewed and evaluated the relevant technical merits of each of its tax positions in accordance with accounting principles generally accepted in the United States of America for accounting for uncertainty in income taxes, and determined that there are no uncertain tax positions that would have a material impact on the financial statements of the Foundation.

(e) **Cash and Cash Equivalents**—For the purpose of reporting cash flows, cash and cash equivalents include cash on hand, demand deposits, and short-term investments with original maturities of 90 days or less.

(f) **Use of Estimates**—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(g) **Advertising**—The Foundation expenses advertising costs as they are incurred.

**CORRECTIONS FOUNDATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2010**

(3) **Concentrations of Credit Risk:**

The more significant concentrations of credit risk are as follows:

(a) **Demand Deposits**—Corrections Foundation, Inc. maintains demand deposits with five institutions. The Organization has no policy requiring collateral or other security to support its deposits in excess of FDIC coverage.

(4) **Risk Management:**

The Foundation is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Foundation carries commercial insurance. Insurance against losses is provided for the following types of risk:

- Personal Property
- Public Officials' Liability

There have not been any settlements against insurance coverage.

(5) **In-Kind Support:**

In-kind contributions of materials, facilities, and services are reflected as support in the statement of activities at their estimated fair value when received. The primary source of the Foundation's in-kind support is from the Department for operating costs. The value assigned to in-kind support other than payroll costs is an allocation based on the Foundation's use of space within the Department's facilities. In-kind salaries, payroll taxes and benefits are actual costs paid for by the Department for vocational instructors and an administrative assistant. In-kind materials, facilities, and services from all sources consist of the following for the year ended June 30, 2010:

Rent	\$ 16,753
Office expenses	16,471
Payroll costs	24,000
Total In-Kind Support	<u>\$ 57,224</u>

**CORRECTIONS FOUNDATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2010**

(6) **Restricted Net Assets/Reserved Fund Balance:**

Restricted net assets/reserved fund balance are available for the following purposes as of June 30, 2010:

Chapel Fund	\$	3,539
Dade Correctional Institution Education Program		4,826
Ford Motor YAATC Program		19,649
Hernando Correctional Institution Chaplain's Inmate Welfare Fund		3,985
Dog Training Programs		4,493
Inspector General Canine Unit		4,236
Total Restricted Net Assets/Reserved Fund Balance	<u>\$</u>	<u>40,728</u>

The accompanying notes to statement of revenues, expenditures  
and changes in fund balance - budget and actual are an integral part of this statement.

**CORRECTIONS FOUNDATION, INC.**  
**NOTES TO REQUIRED SUPPLEMENTARY INFORMATION**  
**FOR THE YEAR ENDED JUNE 30, 2010**

(1) **Summary of Significant Accounting Policies:**

The Statement of Revenues, Expenditures and Changes in Fund Balances – Budget to Actual is presented using the Foundation’s budget format for all governmental funds.

(2) **Budgetary Basis of Accounting:**

Budgets are adopted on a basis consistent with accounting principles generally accepted in the United States of America. The budget presented for fiscal year ended June 30, 2010, has been amended according to Board procedures.

Budgets are presented on the modified accrual basis of accounting. The legal level of budgetary control is the fund level.

**JAMES MOORE & CO., P.L.**  
CERTIFIED PUBLIC ACCOUNTANTS

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors,  
Corrections Foundation, Inc.

We have audited the financial statements of the governmental activities and the major fund of Corrections Foundation, Inc. as of and for the year ended June 30, 2010, and have issued our report thereon dated September 1, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered Corrections Foundation, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Corrections Foundation, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Corrections Foundation, Inc.'s internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above. However, we identified one deficiency in internal control over financial reporting, described below, that we consider to be a significant deficiency in internal control over financial reporting. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

**Preparation of Financial Statements**—A system of internal control over financial reporting should allow the Organization to prepare financial statements, including note disclosures in accordance with generally accepted accounting principles (GAAP). While auditors can assist with the preparation of financial statements and related footnotes, the financial statements are the responsibility of management. A control deficiency exists in instances where the Organization is not positioned to draft the financial statements and all required disclosures in accordance with generally accepted accounting principles. Presently, as is common to many Organizations, management relies on the audit firm to draft the financial statements and related disclosures. For subsequent audits, management may wish to take a more active role in the drafting of the financial statements and related disclosures.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Corrections Foundation, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Corrections Foundation, Inc.'s response to the finding identified in our audit is described in the accompanying corrective action plan. We did not audit Corrections Foundation, Inc.'s response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of management, the Board of Directors, others within the organization and Federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

James Moore and Co., CPA  
2477 Tim Gamble Place, Suite 200  
Tallahassee, FL 32308-4386

Dear James Moore and Co., CPA:

Please find below the Corrections Foundation's management response to audit findings for fiscal year 09/10.

In response to this year's audit finding and suggestion for the Corrections Foundation to compile its own financial statements, we find that it would not be cost effective for the organization to employ an accountant on staff for the sole purpose of preparing our financial statements and therefore we rely on your accounting firm to prepare them as part of our annual audit. We believe this also provides the Board of Directors with an inside look at operations from an independent source and strengthens our ability to oversee the financial operations of the organization.

We're grateful for this suggestion of how to further improve and strengthen our operations and appreciate the thoroughness of the audit performed by James Moore and Company, CPA. The results of the audit reflect the board and staff's desire to serve the Department of Corrections and its staff in a manner above reproach. The audit, our operating policies, and financial statements are available for public review upon request.

Sincerely,

Chris Akins  
Executive Director
