Board of Directors
Corrections Foundation, Inc.
501 South Calhoun Street
Tallahassee, Florida 32399-2500

Dear Board Members:

This Letter of Agreement by and between the Florida Department of Corrections (“Department”) and the Corrections Foundation, Inc., (“Foundation”) is written pursuant to the requirements of Section 944.802(1)(d), Florida Statutes. Specifically, this agreement re-authorizes the Corrections Foundation to act as a direct-support organization “for the direct or indirect benefit of the Department of Corrections or individual units of the state correctional system.”

The purpose of the Corrections Foundation is expressly consistent with the statutory mission of the Department to support the programs, personnel, and services of the Department through grants, contributions, and community partnerships by providing a variety of activities to support the Corrections Foundation.

The Department will provide support to the Foundation in the form of office space, access to OIT support, and inclusion of Corrections Foundation information in all employee orientation materials. Use of the Department’s state e-mail system for the purpose of providing electronic notifications to agency employees will be approved by the Secretary or Chief of Staff on a case by case basis. This support will enable the Corrections Foundation to provide the highest level of service to Department of Corrections’ employees.

I would like to take this opportunity to thank each of you for your commitment to serve and for being a very active board. Your dedication to the employees of the Department of Corrections is recognized and very much appreciated.

Sincerely,

Mark S. Inch
Secretary
