Dear Secretary Inch,

During the 2014 Legislative Session, the Legislature passed and former Governor Rick Scott signed into law CS for SB 1194 (1194), an act relating to citizen support (CSOs) and direct-support organizations (DSOs).

This law requires certain disclosures to be made from the CSOs and DSOs to the state agencies to whom the organizations serve by August 1st of each year. The state agencies, in our case, the Florida Department of Corrections (FDC) has until August 15th of each year to report to the Governor, the President of the Senate, the Speaker of the House of Representatives, and the Office of Program Policy and Analysis and Government Accountability the information provided by each CSO and DSO. The report the Department of Corrections must submit must also include a recommendation by the agency, with supporting rationale, to continue, terminate, or modify the agency's association with the Corrections Foundation.

Results

Projects in Support of Department of Corrections Officers and Staff

Employee Assistance Program: The Corrections Foundation supports FDC employees by giving them direct financial assistance in times of fire, critical illness or accident, or other tragic circumstances through the Employee Assistance Program (EAP). Last year, the Corrections Foundation assisted 328 FDC officers and staff through our EAP.

Disaster Relief Fund: The Corrections Foundation has a stand-alone Disaster Relief Fund (DRF) to provide assistance to FDC officers, staff, and contractors during times of natural disasters and we stand by ready to assist this hurricane season.

Since 1999, between our EAP and Disaster Relief Programs, we've assisted over 9,640 of FDC's more than 22,390 employees - essentially 43% of FDC employees - a record for which we're proud.

Support of Department of Corrections Programs

FDC Office of Intelligence K-9 Support - The Corrections Foundation supports the Office of Intelligence K-9 teams by accepting donations and purchasing much needed supplies and equipment such as K-9 vehicles, K-9 cell phone and drug detection dogs, and equipment for the K-9 officers.

Department of Corrections K-9 Tracking Units - The Department of Corrections has 26 K-9 Tracking Units statewide. These officers and tracking K-9's are used for escapes and are also called out more than 600 times a year to support local law enforcement to locate missing children, missing elders and fugitives. The Foundation has provided GPS tracking collars and other equipment for these K-9 teams statewide.

Dog Obedience Prison Programs- Twenty-four dog training programs receive funding through the Corrections Foundation thanks to sponsors and donations that support these programs. These programs are partnerships between the Department of Corrections, local humane societies and animal shelters and donors who contribute through the Corrections Foundation.

Computers for Florida's Kids - The Computers for Florida's Kids Program operates at Cross City Correctional Institution. Inmates in this program refurbish older computers so they can be donated to organizations and programs serving children throughout the state of Florida. More than 7,000 computers have been donated to organizations since 2001. Inmates, in turn, received meaningful job training in computer diagnostics and repair to help provide them an opportunity for meaningful job placement upon release.

Other Programs - The Corrections Foundation has served as the fiduciary for many different programs within the Department of Corrections by accepting community donations and grants for past and present programs, including:

- Chaplaincy
- Culinary Arts
- Computer Education
- Education and Literacy Support
- Toastmaster Gavel Clubs
- Wellness Programs/sports equipment
- Lawtey Correctional Institution Lawn Equipment Maintenance
- Library Fund
- Ford Motors Automotive Repair Program - Facilitated the Ford Program Grant that provided cars, tools, and construction of an automotive garage at Homestead CI that provided automotive repair training for female inmates.
- Farm Worker Housing Initiative – US Department of Community Affairs grant- Facilitated grant funding for Migrant Farm Worker Housing Program where inmates at Hardee Correctional Institution built cabinets, tables, chairs, and other housing components that were provided to migrant farm workers. Inmates also learned viable carpentry and job skills that

would help make them successful on the outside. Partnership with Collier County Housing Authority, Everglades Community Association and Catholic Charities.

- FSP Officer Safety Project - Project ensured officer safety through limiting direct interaction with dangerous inmates. Funding was provided to install openings within cell doors so that an opening at one end could be opened while keeping the opposite closed so that food trays could be passed to an inmate without risk of an officer being grabbed or have objects lodged at officers.
- Reading Family Ties
- Literacy
- Ounce of Prevention – Father program
- Transition Program – Hillsborough CI
- Re-entry Program and Wellness Program Support
- Hardee CI Seminary
- Sumter CI Chapel Roof Repair, Chapel Books and Supplies
- Troop Project – Flags for Freedom – Since 2001 more than 400 Department of Corrections employees have served in our nation’s military. The employees of the Department of Corrections have supported them through their deployment through the Flags for Freedom Project. We provided gift packages and phone cards to soldiers and their families.
